ZESTA TEA & INFUSIONS 茶与热饮

Green Tea Infused with Natural Jasmine 调制绿茶茉莉金

Chinese green tea delicately flavoured by imprinting the leaves with natural Jasmine flowers and allowing the tea to absorb its fragrance. The flowers are then carefully removed by hand leaving behind this exotic tea that can be drunk any time of the day and particularly makes a great accompaniment to food

English Breakfast 早餐茶

A wholesome, robust full-bodied tea with a malty aftertaste. Specially sourced from a single tea garden that is renowned for producing a uniquely strong and thick brew. The perfect breakfast complement to kick-start your day and can be drunk on its own or with milk.

Earl Grey 伯爵茶

The exotic Bergamot fragrance mixed with a mildly strong medium-grown tea is popular amongst tea connoisseurs. The rich taste of this aromatic tea is mostly served after meals in tea lounges and restaurants in the world.

Lychee 荔枝

The mellow, fruit flavour of Lychee makes this an ideal after-meal sweet drink, although it can be drunk throughout the day.

Chamomile 甘菊

Chamomile flowers have been used as a herbal remedy for hundreds of years. This light yellow cup has a pronounced earthy taste and can be drunk any time of the day but is most popular before bed time due to its calming properties.

Peppermint 薄荷

A herbal infusion with a light cup and dominant 'minty' character that lingers in the mouth for a long while.

LOCAL COFFEE & TEA SPECIALITIES

Lemongrass Tea 柠檬草茶

Referred to as *serai* in Malay, this plant is widely used as a herb in Asia for teas, soups and curries. It has a pleasant citrus flavour. Research indicates that lemongrass oil has anti-fungal properties.

Kacip Fatimah Coffee 卡琪花蒂玛茶 (滋阴)

Kacip Fatimah contains anti-oxidants and phyto estrogen, elements which are known to deter the aging process. This is traditionally a ladies' drink.

Sabah Tea 沙巴茶

100% organic and pesticide free, Sabah Tea is one of the few organic tea farms in the world. Like coffee, Sabah Tea provides caffeine-lovers with the extra 'kick' one usually gets from drinking coffee.

Tenom Coffee 丹南咖啡

Tenom Coffee is one of the most popular coffees in Sabah. It is made using the traditional method of roasting coffee beans over a wood fire to bring out the full aroma of the Robusta bean.

Tongkat Ali Coffee 东革阿里茶 (壮阳)

Found in Malaysia, Thailand and Indonesia, this plant has been used for centuries in Asia to strengthen the immune system and has powerful anti-oxidative properties. This is traditionally a man's drink.
