SHANGRI-LA HOTELS AND RESORTS
HOTEL SAFETY FEATURES FACT SHEET

Safety Features of the Hotel: Shangri-La Resort, Shangri-La (SLDQ)

1. LOCATION & CONTEXT
Shangri-La Resort, Shangri-La is located at 1 Chicika Street, Shangri-La City, China. It is the pivotal point on the Ancient Tea Horse Trail between Yunnan, Sichuan and Tibet. The hotel is located in the city center on Tenchong Plaza, near the Historic Ensemble of the Dukezong old town. It is a 15-minute drive from Shangri-La Airport and a 5-minute drive from the Shangri-La bus station.

2. GUEST SAFETY AND SECURITY
Shangri-La Resort, Shangri-La would like to assure every guest of its commitment to their personal safety and security.

3. FIRE AND LIFE SAFETY
The hotel is equipped with a comprehensive Fire & Life safety system which includes the Automatic Fire Detection and Alarm system, Fire Protection System together with Emergency Response Procedures. The Automatic Fire Detection and Alarm system consist of addressable smoke detectors and monitoring devices installed in guestrooms and throughout the hotel that are connected to the main fire alarm panel in the Fire Command Centre. Staff in the Fire Command Centre will respond immediately to the activation of any device. The Fire Protection system includes automatic sprinklers together with fire hydrants and hose reels installed throughout the hotel. These systems are approved by the Fire Department and regularly tested by our Fire & Life Safety Manager to an approved program.

The hotel has an established, comprehensive Emergency Response Plan which includes the Emergency Response Team (ERT) and emergency management procedures. The ERT is on standby 24 hours daily led by the Duty Manager and supported by the hotel’s Security and Engineering staff. All ERT members are fully trained in fire-fighting procedures, first aid and incident handling. Fire Drills are conducted frequently to an approved program. In addition a full evacuation drill is conducted twice a year with the participation of all hotel staff.

4. SECURITY
The hotel has its own well trained and experienced security team who maintain a close relationship with the local emergency services. These officers are backed by a manned security control room which has 24 hour CCTV coverage of the hotel and a comprehensive alarm and access control system. All security personnel across the Group operate on a standard set of response options covering a wide range of critical and emergency situations.

5. WATER
Water supplied to the hotel is filtered, disinfected and treated before storage in regularly cleaned tanks. The distributed water complies with the World Health Organization Standards for potable water. The hotel has at anytime a 1 day storage supply of potable water.

6. FOOD SAFETY
The hotel maintains internationally recognized standards of food hygiene and sanitation. In 2001, the group introduced the Shangri-La Food Management Safety System (SFMS) to ensure the highest level of standards in food sanitation across all hotels in the group. The industry-leading SFMS is based upon principles of the system used in food manufacturing often referred to as Hazard Analysis and Critical Control Points (HACCP). All steps in the food operation are addressed from the supply chain and selection of ingredients through to the serving of the food to the customer. The hotel has a food hygienist to ensure food safety hygiene standards are monitored and kept up to date. Hotels are audited yearly to verify implementation and compliance with SFMS policies.

7. FUEL & POWER
In the event of an accidental power supply interruption, the hotel's emergency generator will operate automatically to ensure that all the fire and life safety of the basic equipment continues to operate.

8. ELECTRICITY
Electricity supply within the hotel is available 24 hours and supplied at 220 Volts 50 Hertz in the guestrooms. In the unlikely event of disruption to the electricity supply, the hotel's emergency generator will automatically operate, to ensure that all fire & life safety and essential equipment will continue to operate.

9. SWIMMING-POOL SAFETY
Fully trained lifeguards are on duty at all time during swimming pool opening hours.
