

## HỘI AN

Hoi An is an exceptionally well-preserved example of a South-East Asian trading port dating from the 15<sup>th</sup> to the 19<sup>th</sup> century. Situated on Vietnam's Central coast, its buildings and its street plan reflect the influences, both indigenous and foreign, that has combined to produce this unique heritage site.

## LỄ HỘI ĐÈN LỒNG PHỐ

STREET LANTERNS  
FESTIVAL

On full moon, the streets of Hoi An host one of the greatest lantern festival in Asia. Mopeds with colourful lanterns abound the streets, playing traditional music and games, taking the old town back to yesteryear.

For the Vietnamese, this night is a time to pay respects to ancestors by making offerings at family altars and burning lucky bills to bring in luck and prosperity. Little cardboard lanterns with candles inside are set to float on the river – said to bring luck, happiness and love.
