

# Lobby Lounge

## Wine List

Our wine list is based on the diverse experiences beyond the cellar door. Our sommelier proudly presents an extensive list from famous wine countries. The key principle was to ensure the wines hold up against the diverse tidbits offered at Lobby Lounge, so we opted to move away from traditional choices in favour of including unique Thai wines into the journey.

**"We are delighted to share our wine list with you, which also includes an extensive range of labels by the glass, and are very happy to assist you in making the perfect choice to complement your meal."**

## Beverage and Cocktail List

We only use premium spirits and liquors along with fresh fruit juices and a large selection of contemporary cocktails.
