Wine List

Our wine list is based on the diverse experiences
Our Sommelier proudly presents an extensive list from famous wine countries.
The key principle was to ensure the wines hold up against the diversity of cuisines,
so we opted to move away from traditional choices in favour
and unique Thai wines into the journey.

**"We are delighted to share our wine list with you, which also includes
an extensive range of labels by the glass, and are very happy to assist
you in making the perfect choice to complement your meal."**

Beverage and Cocktail List

We only use premium spirits and liqueurs
along with fresh fruit juices and selection of contemporary cocktails.
