

Wine List

Our wine list based on the diverse experiences beyond the cellar door. Our sommelier proudly presents an extensive list of wines from famous wine countries. The key principle was to ensure the wines hold up against the diverse Italian cuisine at Volti, so we opted to move away from traditional choices in favour of including unique Thai wines into the journey.

"We are delighted to share our wine list with you, which also included an extensive range of labels by the glass, and are very happy to assist you in making the perfect choice to complement your meal."
