Villingili Golf Course

Experience recreational golf for the first time in the Maldives

Overview

Designed and managed by Shangri-La Hotels and Resorts, Villingili Golf Course is nestled on seven-and-a-half hectares at the southern end of Villingili Island. The first and only one of its kind in the Maldives, this nine-hole golf course includes par three and par four holes, averaging 112 metres in length. It is a recreational course designed for the enjoyment of golfers and beginners alike.

Spectacular challenges and vistas await at each of the nine holes. Coconut palms and other exotic flora, white sandy beaches, turquoise lagoons and pounding Indian Ocean swells line the fairways.

A clubhouse offers light snacks and refreshments, while the pro shop carries golf equipment, apparel, gear and merchandise.
