Dear Guest,

Let us give you the perfect day with The Perfect Wedding.

Your perfect wedding begins with the perfect ceremony. Imagine a sunset ceremony overlooking the bund. Fresh flower arrangements designed specifically for you by our French floral artists, sway gently in the breeze. Soft candlelight glows around the faces of your closest friends and family. The music from a live string quartet starts and slowly you step one foot onto the red carpet that leads you to the one you love.

It sounds like a dream destination wedding, but it can happen right here in Shanghai, at the Pudong Shangri-La. We have gathered an expert staff experienced in every aspect of wedding planning to give you The Perfect Wedding.

Ceremonies are full of tradition. Exchanging rings, lighting candles and toasting champagne are all ways to show your commitment and everlasting love. They are displays of poetic sentiment that you'll treasure always. We have the staff and resources to give you these memories. Only at the Pudong Shangri-La can you have The Perfect Wedding.

Once you process down the aisle in your perfect designer gown, a professional celebrant will greet you and your guests. He will lead you and your loved one through your vows and help you celebrate the union between two people in love.

We have designed these packages to provide you with everything you need for your perfect wedding day, plus a few extras. We cherish the importance of this event in your lives and want to make it special for you.

Your wedding should be a personal celebration of the bond you share with your partner. You want you to look back on your wedding day with fond sentiment and joy. With The Perfect Wedding, you will.

Sincerely,

The Wedding Specialists at the Pudong Shangri-La
