Shangri-La at The Fort
Manila
SHANGRI-LA AT THE FORT, MANILA
OPENING 2015
There's no greater act of hospitality than to embrace a stranger as one's own.
WITH FOUR ICONIC HOTELS ACROSS THE country, the Philippines is and always has been our home, a place we will never leave. Looking ahead, Manila has a bright future, but we want to make it even brighter.

So we have joined heads with local groups to achieve a common goal: namely, to establish a new city centre.

This will become the contemporary face of Manila. It will also usher in an era of unprecedented growth. Here your family will feel complete, safe and vibrant.

You will enjoy a walking, jogging, cycling-friendly neighbourhood, while schools, business hubs, parks, health care amenities, galleries as well as endless entertainment options will be located just steps from your door.

We are committed to increasing the prosperity of your family as well as the Philippines’ at every turn. That is why we take pride in our vision, a vision that is no longer just a farsighted vision, but a reality. We hope to share this with you — a more balanced approach to life where time with family is maximised.
WELCOME TO SHANGRI-LA
at The Fort, the Shangri-La group’s latest mixed-use landmark development project. Reshaping architectural boundaries, it will offer guests and residents the chance to discover a place truly worth exploring — the country’s most sought after neighbourhood.

So why not make our home, yours?

Our hotel will also embrace you with a level of hospitality that makes switching off effortless. Each room shimmers with an intelligence, grace and unique aesthetic that reflects the charm of the Philippines. In fact, there is no better place to while away the hours with a novel and chilled martini in hand.

Alongside the hotel, with three beautifully designed hubs — Shangri-La Residences, Kerry Sports Manila, an elite lifestyle and leisure club, and Horizon Homes, you will finally experience an urban living space like no other.

We invite you to join us.
We want our vision to inspire. So wherever you look we make sure you see something magical — the way the sunlight becomes part of every space, the patterns in the living room, the harmony of different aesthetics; it creates a tangible sense of calm that is hard to describe. Here moments simply become so much more meaningful, so much more personal.

Each setting is enchanting and combines the luxuries of a hotel with familiar family comforts. So you can now indulge in rooms that are different, rooms that make you feel at home.

Whether you are looking for a unique business atmosphere or a relaxing family vacation, our residences are the perfect choice because they offer more space and flexibility.
WE CAN ALSO PROVIDE YOU WITH a butler, a daily maid and a master chef who will prepare everything for you, your friends and your family, right here, in your very own kitchen. From breakfast, lunch and dinner to any snack in between, no request will be left unattended.

What is more, we stock your fridge with the freshest ingredients daily.

It makes no difference how long you stay; we will always deliver the added space you need for work, play and that wonderful, home away from home feeling. With vaulted ceilings, expansive floors and extended living areas, it is the perfect retreat for relaxing and spending time with family or closing deals out in style.

Now everything just feels right.
Upon entering you will be greeted by a natural abundance of the most precious commodity — space. Whether you want to jump, stretch or relax, our light, elegant surroundings will impart gentle feelings of openness.

Unwind on our full-sized basketball court. Swim in our indoor pool. Or grab a healthy bite. Whatever you need to do, vast spaces will unfold before you.

But that’s not all.

Our adventure zone is an ideal playground for children. Our spa invigorates mind and body. Additionally, our sports massages, physiotherapy treatments and state-of-the-art, fitness facilities put the zip back into life.
INSIDE AND OUT, KERRY SPORTS MANILA is the ultimate, one-stop fitness and recreation destination that offers you and your family a healthy, balanced lifestyle.

With casual dining areas, you can also entertain family and friends in the perfect setting. Or step outside and find yourself at the centre of an energetic community of fine stores, high-end residences, landscaped parks and business hubs that buzz with vitality.

The ever-expanding possibilities of living well have never been stretched this far. So why not relax and discover your very own personal space, right here in breathtaking surroundings?
It sinks in as your destination pulls you closer. There is nothing like returning home — the perfect ending to every journey, every day. With each meandering mile, it becomes clearer: home is more than just a stylish frame of glass, steel and stone. It is a place that transforms you with rooms big enough to accommodate loved ones and memories. It is the warmth you find yourself longing to come back to after a long day.

Suddenly, the road narrows and you catch a glimpse of it, high above the bright lights of the city. It is the greatest feeling in the world, the feeling of returning to familiar faces, smiles and laughter, where you know your heart will always be.

We are offering you the key to a warmer, brighter future. The key to one of our Horizon Homes — a collection of limited, highly customised homes that you can truly call your own, where every detail reflects our values and, we like to believe, yours too.
WITH A MIX OF EXPANSIVE FAMILY living areas and intimate spaces, you can relax while your children play. Horizon Homes is also situated on the highest floors of the tower so you can savour one of the most picture perfect views around. Look out over Manila Bay, the Makati skyline, Antipolo Hills and Laguna Bay. You will feel like you are floating in the sky.

Fashions and fads may pass, but we can help you leave a lasting legacy with our timeless offer. We call it a complete home, where your love for your family is evident in every room, where true authenticity will evoke memories they can cherish forever.

It is all part of an enduring and passionate commitment to a long-term vision that is unique to the name Shangri-La. So why not invest in tomorrow by handing something priceless down to your children, which they can then pass onto theirs.

A rich tradition of home.

“There, to his joy and surprise, he found a friendly and prosperous population who made haste to display what I have always regarded as our oldest tradition — that of hospitality to strangers.” *Lost Horizon*, James Hilton

It was through this 1933 classic that we found our name. And it was this novel that inspired our heartfelt hospitality.
