Wine List

Our wine list based on the diverse experiences
Our Sommelier proudly presents an extensive list of wines from famous wine countries.
The key principle was to ensure the wines hold up against the diverse to our food,
so we opted to move away from traditional choices in favour
and unique of Thai wines into the journey.

**"We are delighted to share our wine list with you which also includes an
extensive range of labels by the glass and are very happy to assist you in
making the perfect choice to compliment your meal."**

Beverage and Cocktail List

We only use premium spirits and liqueurs
along with fresh fruit juices and selection of contemporary cocktails.
