ENTRY GUIDELINES TO BORACAY

To ensure everyone’s safety and in compliance with official travel regulations set by the local government regarding the reopening of Boracay Island to domestic tourists updated as of 19 October 2020, please be guided by the following guidelines that must be adhered to prior to your travel. You may also access full details through [http://aklan.gov.ph/guide-for-tourists/](http://aklan.gov.ph/guide-for-tourists/)

- Only tourists from areas with a community quarantine classification of General Community Quarantine or lower, apart from travelers from Western Visayas, shall be allowed entry in the island of Boracay.

- The Test-Before-Travel requirement shall be implemented, whereby only those travelers who obtain a negative Reverse Transcription-Polymerase Chain Reaction (RT-PCR) test result after undergoing the same extraction date, not earlier than seventy-two (72) hours prior to the date of travel, shall be allowed to travel to the tourist destination. In addition, travelers shall be strongly advised to observe strict quarantine immediately after undergoing the test until the date of travel to the island. For purposes of travel as tourist to the island of Boracay, a negative RT-PCR result is required for all tourist entering to Boracay regardless of age.

- Register online as tourist for the Health Declaration Card available in [http://www.aklan.gov.ph/](http://www.aklan.gov.ph/) before entry in the Island of Boracay. Ensure you have a confirmed booking from a Department of Tourism accredited accommodation establishment.

- Local resident tourists from the province of Aklan shall be required only to present a confirmed reservation from a Department of Tourism accredited establishment and must register online as tourist for the Health Declaration Card available in this website: [http://www.aklan.gov.ph/](http://www.aklan.gov.ph/) before entry in the Island of Boracay.

- Aklanon tourists who are permanently residing outside the province Aklan shall be required a negative (RT-PCR) test result, a confirmed reservation from a Department of Tourism-accredited establishment, and must register online for the Health Declaration Card before entry in the Island of Boracay.

- For tourists travelling by air, only the Caticlan Airport in Caticlan, Malay, Aklan shall be the port of entry and exit to Boracay Island. Kalibo International Airport shall only cater to Returning Overseas Filipinos (ROF), Locally Stranded Individuals (LSI), Authorized Persons Outside Residence (APOR), and other emergency travelers.

- Individuals of all ages, except those with comorbidities or are currently pregnant, are permitted to travel.

- Only couples or family members who share the same household may be allowed to share rooms. With this, all guests shall be required to present proof of residency such as a government or company ID with a residential address. Co-mingling with other groups other than one’s own family or group shall be strictly prohibited.

- All guests, except children below 2 years old, are required to properly wear face mask and face shield at all times, except when dining, drinking, while in the guest room, or engaging in strenuous physical activities that induce labored breathing. Children between the ages of 2-8 years old must use face masks under adult supervision.

- Body temperature will be checked using a Thermal Scanner or Thermometer Gun. Only those who are cleared during screening shall be allowed to enter.

- Please ensure that you are up to date on the latest government regulations when travelling. Local Governments Units (LGU) and airlines may also have additional travel requirements, guests travelling on domestic routes are advised to check local travel guidelines with their respective LGUs and airlines. shall be allowed to enter.
GUIDE FOR TOURISTS IN OBTAINING THE ONLINE HEALTH DECLARATION CARD

1. Please access the Province of Malay Online Health Declaration Form through [http://aklan.gov.ph](http://aklan.gov.ph) or [https://bit.ly/2QzBukZ](https://bit.ly/2QzBukZ) or [http://www.touristboracay.com](http://www.touristboracay.com/) and click Online Health Declaration and fill out all required fields, then submit.

2. Upon submission, a confirmation with instructions will be displayed.

3. You will now need to send an email to touristboracay@gmail.com. Subject line should be OHDC-[Family Name], [Last Name] and attach a copy of the following:
   a. A negative Reverse Transcription-Polymerase Chain Reaction (RT-PCR) test result,
   b. A confirmed hotel reservation,
   c. A proof of identification (government-issued ID)

4. Ensure that you are getting your RT-PCR tests in accredited laboratories listed here: [https://hfsrb.doh.gov.ph/?page_id=1729](https://hfsrb.doh.gov.ph/?page_id=1729) and that your hotel booking is accredited by the Department of Tourism with a Certificate of Authority to Operate (CAO) or Provisional Certificate of Authority to Operate (PCAO).

5. Multiple tourist documents can be sent in one e-mail message. You may include a list of the names of the accompanying tourists within the body of your e-mail.

6. Wait for the e-mail response (successful or unsuccessful) of the Final Validator. Processing takes less than 12 hours after receipt of complete documents.

7. If processing is successful, a copy of the HDC with Tourist QR code will be sent back. Please keep the Tourist QR code with you at all times, either printed or a digital copy. The QR Code will be used in the ports of entry as well as in accessing services in Boracay Island.

8. If processing is unsuccessful, additional submission of requirements or clarification may be required.

* Executive Order No. 37-A Series of 2020 from the Office of the Provincial Governor of the Province of Aklan, including other requirements set by the Inter-Agency Task Force on Emerging Infectious Diseases (IATF-EID).
