SHANGRI-LA HYBRID EVENTS

SHANGRI-LA HYBRID EVENTS

We have dedicated our last 50 years to caring for our guests and embracing them as our own. Shangri-La Group has developed a range of cost-effective and flexible hybrid event solutions, connecting your guests from different locations to experience the same seamless event. Partnering with the best in the industry to offer advanced audio-visual technologies for any configuration, Shangri-La Hybrid Events are delivered with luxury service and premium food and beverage offerings.

Being a participant of a hybrid event is a special experience at Shangri-La. Our 'Shangri-La Cares' promise guides our ongoing efforts to ensure your guests' safety, well-being and comfort so that you can have confidence that your event and your guests will be well taken care of.

AT YOUR SERVICE

Shangri-La's dedicated events teams are committed to providing you with an exceptional event experience so you and your delegates can enjoy the moments. Catering to your every need, our experienced teams are ready to provide tailored events through an extensive range of services, facilities and technologies to the highest cleanliness and safety standards.

All participating hotel sales and event management teams have undergone specialised hybrid events training as well as extensive hygiene and sanitation training.

SHANGRI-LA CARES

Our #ShangriLaCares promise comes straight from the heart, ensuring a clean and safe environment for our guests to enjoy. We are supported by our long-time partner, Diversey - a leading global hygiene solutions provider who has a century of experience and expertise in this field. A TASTE FOR EVERY OCCASION

Led by our international team of culinary experts, we offer premium gastronomic experiences. Our hotels provide carefully curated food and beverage menus to suit any hybrid event which can be enjoyed by delegates attending in person, or based at home or in the office.

- A continued focus on hospitality from the heart
- Our food and beverage offerings follow the Group's stringent Food Safety Management System as well as local regulations
- Menus are tailored to group size with the option of controlled buffets in certain destinations, bento boxes or plated service

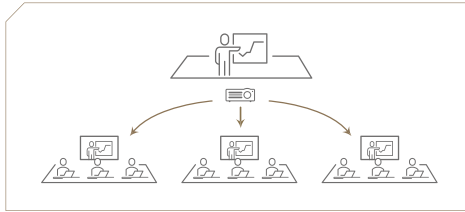

SHANGRI-LA HYBRID EVENTS

Our meeting designs can incorporate a virtual stream for attendees or presenters that are not able to make the in-person meeting.

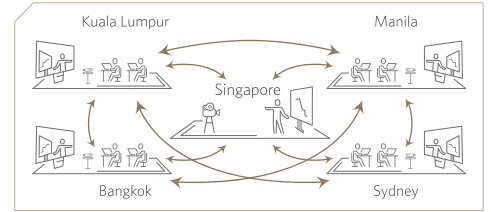

**DESIGN 1
ONE ROOM**

Ideal for small groups connecting with others externally. Screen placement and sound reinforcement are key for a seamless meeting.

**DESIGN 2
MULTI-ROOM BROADCAST
COMMUNICATION**

Ideal for real-time broadcasting to large groups in multiple rooms at the same venue. A range of digital tools are available to support multi-way collaboration.

**DESIGN 3
MULTI-ROOM/MULTI-VENUE
NETWORKED COMMUNICATION**

For events that bring attendees from different venues and/or multiple rooms together. The right technology solutions will ensure an event with several speakers presenting from various locations is seamless.

Our dedicated events teams will work closely with you to deliver a tailored and personalised experience using advanced audio-visual technologies, taking care of every last detail and your every need. Contact your Shangri-La Sales Representative to learn more:
