

ORIGIN

# FOREWORD

Our menu is inspired by Singapore's illustrious history of bountiful trade, colonial charm and tropical splendour.

Inspired by six key districts of Singapore, every cocktail reflects their colours, flavours and historical anecdotes - thoughtfully distilled in a glass. Let our cocktails be your compass as you taste your way through flavours and ingredients unique to Singapore, reminiscent of the colonial era through exploration, growth, and trailblazing modernity. Teetotalers can also enjoy the tropical voyage through non-alcoholic cocktails that celebrate local botany and fruits - from refreshing citrus to the aroma of freshly roasted coffee beans.

All on board? Your voyage begins here.
